PLAY & COURSE CONDUCT

Members are requested to give attention to the following:

- Rules of Golf
- Etiquette
- Regulations Governing Conditions of Play
- Dress Code
- Course Care
- EGC 2019 Code Of Conduct

Rules of Golf

- All members receive a Rule Book – please approach a Board Member if you have not received one
- Local rules governing local conditions may be applied from time to time. Please read the back of your score card and Notice Board.

Etiquette

All players should make themselves familiar with these rules.

In the interests of all, players should play without delay.

A group's position in the field is immediately behind the group in front, not in front of the group behind. The lowest handicapped player in each group should see that matters of etiquette and the group's position in the field are maintained.

Please read Ready Golf to speed up play.

Regulations Governing Conditions

Members should make themselves aware of the conditions of all competitions by checking Notice Boards before play.

Dress Code (minimum requirements)

Men: Shirt with collar, approved trousers, shorts with long socks or short white socks, golf shoes with soft spikes or club approved sports shoes.

Ladies: Shirt or blouse, skirt, slacks, approved shorts, golf shoes with soft spikes or club approved sports shoes. T Shirts, singlets, brief sport shorts, track pants, beach wear, slip-on shoes, and vivid emblazoned printing or promotional designs on clothing are not permitted.

Note: Unless otherwise approved by the Board only golf shoes with soft spikes are permitted on the course.

Course Care

- Give way to Green Keeping staff at all times
- Repair and replace divots, plug marks and other ground damage
- Rake and smooth bunkers after use
- Carry and use sand buckets
- Do not damage plants, shrubs and trees
- Use walkways and bridges provided
- Buggies are not permitted on greens
- Do not turn off or move sprinklers
- Place all rubbish in bins
- Do not move stakes, markers, signs or barriers unless necessary as a moveable obstruction
- Do not disturb wildlife
- Wide wheels on buggies now compulsory
- Ride-on buggies are to travel on the side of all fairways and are not permitted within 5 metres of tees or greens

Grievances

Any grievance by a member should be directed to the Board, preferably in writing. Any dispute relating to a Club Competition should be presented to the Match Committee as soon as possible after the event. Club employees are not empowered to resolve disputes.

RECIPROCAL CLUBS

Exeter Golf Club Inc. has reciprocal rights with the following golf clubs:

- Deloraine
- Stanley
- Tea Tree
- Penguin
- Pittwater
- Scamander
- Wynyard
- Sheffield

Visitors from these reciprocal clubs to Exeter are always welcome and are eligible for all daily trophies on offer except for Club Championships, Match Play Events, Monthly Medals and other events unique to the Exeter Golf Club.

Exeter Golf Club is a member of the Drummond Club with a 2 for 1 round of golf on presentation of the Drummond Club Membership Card.
